FEEDBACK

*When I first visited the Baby Office, I was as-
tonished by the high quality of this facility:
desktop space, kitchen, nursing/sleeping room,
space for playing/painting, and a big table for mee-
tings. This place has been a great support for my
transition from maternity leave to work and an ex-
cellent example of creating inclusive environments
in Science.* **– Paola Pinilla (MPIA)**

KiDS

The **PARENT-**
CHILD **OFFICES**
of **STRUCTURES**
and **ISOQUANT**

STRUCTURES
CLUSTER OF
EXCELLENCE

IsoQuant
SFB1225

- ▸ **Do you want to bring your child to the office?**
- ▸ **Looking for a child-friendly meeting room?**
- ▸ **Do you need a comfortable quiet room with baby changing facilities and a breastfeeding area for a small office break?**

Then **KiDS** is the perfect place for you!

We offer child-friendly office rooms at two locations in Heidelberg for all participants of the STRUCTURES and ISOQUANT projects. In case you are not a member of this group, feel free to contact us directly!

Register your account now at:
https://ekb.thphys.uni-heidelberg.de
After signing up, you will be able to book one of our workplaces easily at any time.

PHILOSOPHENWEG

Albert-Überle-Straße 3-5
flexible booking hours

The office rooms provide two fully-equipped workplaces, a modern meeting room, a quiet nursing room with baby changing facilities and a kitchen unit.

MATHEMATIKON

Berliner Straße 47
open during office hours

The office rooms provide two fully-equipped workspaces, one play corner each and a kitchen in the hallway.
